LEGACY

**S**hikilia Caro is an established Realtor and Licensed Insurance Strategist who provides every client with a legendary and personal service experience. Armed with more than 20 years of experience in her field, Shikilia Caro has proven her ability to manage a diverse portfolio of clients. Her belief that knowledge is the key to a successful financial future has equipped her as a leader, trainer, educator, facilitator, coach, National Empowerment & Personal Development Speaker, Certified Probate Real Estate Specialist, and Senior Real Estate Specialist (SRES). She has shared her knowledge and experience with others as a mentor and counselor for the National Association for Black Accountants (NABA), a mentor for Junior Achievement, as well as the VP of Public Relations with Toastmasters. She has also served as a member of the National Coalition of 100 Black Women, as Vice Chair on the Ambassador Team for The Arlington Chamber and on the Steering Committee for the Arlington Women's Alliance. Additionally, she has facilitated financial workshops for General Motors, AAA Texas, and Dr. R.W.G Stem Academy, to name a few. She continues her service to the community as a Rotarian, and as Board of Directors Chairwoman for RUN Women Cares.

Shikilia began her love and devotion for financial services while studying at Berkley College. Her innate ability to understand each client offers her the opportunity to determine their individual needs, wants & desires. In effort to diversify her knowledge, Shikilia obtained her Texas Real Estate Instructors License to teach Real Estate Finance. Shikilia's background, travels, life experience, and commitment to excellent service, has helped her develop the best strategies and plans designed to meet each client's current, and more importantly, future needs. Her mission is to grow and protect the assets of families and businesses through real estate, insurance, and investment products. Shikilia is on a journey to establish financially healthy families and businesses through one-on-one consultations, educational workshops, and the book she authored, "Wealth is a Mindset: Your Guide to Financial Success".
