Dallas ACAP (Accounting Career Awareness Program) will be held on the campus of Southern Methodist University in Dallas, TX during the week of June 9 – 14, 2019.

Dallas ACAP is a FREE one-week residency program for high school students (all grade levels) interested in a career in business. The program introduces students to accounting, finance, economics and management through a focused, undergraduate-level program taught by college faculty and guest lecturers from business and government. During the week, students have the opportunity to attend classes on careers in accounting and business, personal development and college preparation and tour college campuses, local companies, and CPA firms. The program concludes with the students inviting their parent(s) or guardian(s) to a luncheon or banquet in commemoration of their completion of the program at the end of the week. Since inception in 2001, over 800 students have graduated from the program.

The 2019 Application Period is January 1, 2019 – March 31, 2019. Our goal is 60 students. During the Application Period, please click on the following link to view the requirements and complete the online application: <https://www.surveymonkey.com/r/9LDFP6T>. You can also visit the Dallas ACAP website at www.dallasacap.com for additional information.
